At US Roaster Corp. we promise quality, reliability, and ease of use, all at a competitive price. With the Millennium line, the Cocoa Roastmaster's art is unhindered, giving the Roaster complete control of the roasting cycle, and the excellent roast quality they strive for. Offering solid construction, consistent roasts, and 14 to 30 minute roast times as needed to match the Nips that they are roasting, our entire line of Millennium Roasters are practically maintenance free. By the crack you will know why the "Quality of the Roast" comes first at US Roaster Corp.
